The Assessor does not determine property taxes. Taxes are based on the mill levies set by the taxing entities. School tax is levied by the School Board. County tax is levied by the Board of County Commissioners. Town taxes are levied by the Town Board. North Park Hospital District, North Park Water Conservancy and North Park Conservation District tax is levied by those respective boards. Taxes are configured by multiplying the assessed value by the levies applied to properties based on that property's specific geographical location.
